

SHARE YOUR VOICE ON THE REGION'S

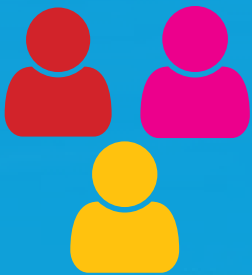

TRANSIT

NEW FUNDING, NEW OPPORTUNITIES

RVTD is planning for transit expansion in 2019-2020 using new state funding and additional conceptual transit service over the next 25 years. The 2040 Transit Master Plan will identify needs for underserved neighborhoods, more convenient express service, weekend service and new routes. You have the opportunity to help the RVTD project team plan our community's transit service!

COMMUNITY OPEN HOUSE

Join us on Wednesday June 6th at the Medford Public Library between 3-6pm. Try your hand at route planning! Live polling on RVTD's vision and goals that shape future service decisions. Participate in a virtual Atlas room and talk with RVTD about bus stops and places new service should be prioritized. Bring the Kids for a Gus the Bus activity!

CAN'T MAKE IT IN PERSON?

Share your voice at www.rvtd2040transitplan.com where you will find a survey, interactive map you can drop 'comment pins' on and read materials the project team has developed so far.
