

# CLACKAMAS COUNTY *Update* TRANSPORTATION SYSTEM PLAN

## Draft TSP Policy Working Group Discussion Topics and Meeting Schedule

### Overview

- The overall policy discussion framework is established by the **State TSP** (Oregon Transportation System Plan and related sub-plans) and the State of Oregon **Transportation Planning Rule** (TPR).
- The policy discussion framework for the portion of the county within the Metro Boundary, which is larger than the Metro Urban Growth Boundary in some places, is set by the **Regional Transportation Plan** (RTP) and **Regional Transportation Functional Plan** (RTFP). The RTFP identifies a number of requirements that local government must include in an updated TSP.
- These policy discussions will focus on the following documents:
  - ▣ Chapter 5 and Chapter 10 of the *Clackamas County Comprehensive Plan* and related documents
  - ▣ *Regulatory Review: Executive Summary*, Dec. 3, 2011 (Attachment 2B.8)
  - ▣ *Clackamas County Zoning and Development Ordinance* (ZDO)
  - ▣ *Clackamas County Road Standards*
