

**Greater Clackamas Center/Industrial Area:
Geographic Area Projects (GAPS) Meeting #3
March 11, 2013/ 9 – 11 am
Development Services Building, Room 119, 150 Beavercreek Rd, Oregon City**

AGENDA

Primary Meeting Purpose(s): Review and discuss the project prioritization process and initial results for projects within the vicinity of the Southwest Connector Area near the Clackamas Regional Center (see list at end of agenda). Identify preferred projects where alternatives have been identified and identify priorities based on project synergies not directly accounted for in the evaluation process. Recommend preferred projects and prioritization of projects for the Project Advisory Committee (PAC) to consider in their prioritization process.

Desired Outcomes: A recommended set of improvements within the Southwest Connector Area and prioritization of those projects.
