

**Clackamas County TSP  
Public Advisory Committee (PAC) Meeting #2  
November 15, 2011**

**Approach to Regional Meetings – Discussion Draft**

**Context:** Three cycles of regional meetings are anticipated through the planning process. Each round will include meetings in the North, South and East County areas. The first round of meetings is anticipated to be held in January, 2012. An overview of the first round of meetings follows.

**Purpose:** Provide an opportunity for County residents to participate in meetings without having to travel to one centralized location. Material will be customized for the regional nature of the meetings, allowing the discussion and input to focus on local needs..

**Desired Outcomes:**

- Familiarity with Transportation System Plan Update process
- Final review and comment on draft vision and goals
- Ideas on reaching vision and goals – what would success look like? For use in crafting objectives and evaluation criteria
- Identification of regional transportation problems, challenges, opportunities for use in developing alternatives
- Description of four policy analysis areas

**Possible Locations:**

North – Clackamas Town Center  
South – Mulino  
East – Welches

**Outreach:**

- Media release
